*Again "BEAST 666" sues  
— and again he loses . .*

Aleister Crowley, who headed the "O. T. O." Love Cult, which flourished in New York and Detroit several years ago, again has sued an English woman writer, charging defamation of character. But the English courts have decided that the man who claims communication with Satan hasn't had his reputation damaged.

*"BEAST 666"  
in regalia*
