**FOYERS FLOWER SHOW.**

A highly successful flower, vegetable, and root show was held in the Foyers Club Hall on Saturday, and it was made the occasion of an excellent demonstration of what can be done in a cottage garden when time and care are taken. The garden competition and show were confined to the employees in Foyers and Inverfarigaig of the British Aluminum Coy., Ltd., and the prize fund was largely subscribed to by the Company and its Directors.

A special feature of the show were the exhibition tables from the gardens of Mr. Eccles, manager; Mr. D. Macgregor, cashier, and **Boleskine House**, . . .
