A ROSICRUCIAN SOCIETY IN ENGLAND

There is a Rosicrucian society in England. It has an organ in London. The New York Herald gives an extract from this organ, as follows:

AHA! The Sevenfold Mystery of the Ineffable Love; the Coming of the Lord in the Air as King and Judge of this corrupted World; wherein under the form of a discourse between Marsyas an adept and Olympas his pupil the whole Secret of the Way of Initiation is laid open from the beginning of the End; for the instruction of the Little Children of the Light. Written in trembling and humility for the Brethren of the A.A. by their very dutiful servant, an Aspirant to their Sublime Order, Aleister Crowley.

Now we know why Apostle Penrose has requested to be relieved from his post as head of the European mission. Mr. Crowley has wings and can outfly him.
