News of Several Artists

Private advices recently to hand contain news of several artists well known in local circles. Miss Violet Mount, who continues a regular and lucrative career at "L'Incognita," has been appearing in provincial centres of late and is now expectant of a Continental season. Miss Leila Waddell, last heard of as musical High Priestess in connection with a novel form of the occult, has been engaged by the George Edwardes management to lead the ladies' orchestra in "The Waltz Dream" at Daly's Theatre, and to play the violin solo set for Franzi (in this cast Miss Lily Elsie).
