Again "BEAST 666" *Sues.*

ALEISTER CROWLEY
the amazing cult leader.

**-and again
he loses**

ETHEL MANNIN
the vicious writer he sued.

Aleister Crowley, who headed the "O. T. O." Love Cult which flourished in New York and Detroit several years ago, has again sued an English woman writer, charging defamation of character. But the English courts again have decided that the man who claims communication with Satan hasn't had his reputation damaged a bit...
