

Since the writing of this book, FRATER PERDURABO has attained to a Grade which makes it impossible for any but the highest Initiates to approach Him personally. The private instruction which He formerly offered will now be given, freely as before, by His chosen representative, FRATER ACHAD, who may be addressed care of THE COLLEGIUM AD SPIRITUM SANCTUM, Post Office Box 141, CHICAGO, ILL.

Information in regard to the Publications of the Order may be obtained from C. Stansfeld Jones at the same address.
