

PUBLISHERS' NOTE

WE beg to express regret for the delay in issuing Vol. II. As originally made up, it was too big, and had to be recast completely. Mr. Crowley's Works to date will thus be complete in three volumes of this edition.

Advance copies or sets of proofs of Vol. III. will be sent to *bona-fide* competitors on their written application. The volume should be issued in December.

Owing to the severe and continuous illness of the artist to whom the Table of Correspondences was entrusted, we are compelled to delay its issue.

The Essay Competition will definitely close three months from date.

Oct. 15, 1906.
