

SOME GENTLEMEN OF THE RENAISSANCE,
being portraits in verse of Giotto, Michelangelo,
Galileo and Richelieu, by William Van Wyck,
author of Savonarola. Illustrated. The cadence,
the temperament, the courage and vigor of the
narratives give rise to the hope that perhaps we
are now arrived at the threshold of a new Res-
toration. A limited edition on large paper of
250 copies.—\$3.50; 14s., or 85 francs.
