

There is a demand for these pictures to be reproduced in a 20th century Pack of Tarot Cards.

The cost of making 78 blocks and of reproducing the cards in colour will not be less than £1,500.

Arrangements can be made to put the work in hand at once and the material and workmen are available.

After the purchase tax has been paid it should be possible to sell the packs to private subscribers at the cost price—approximately £3 each.

All those interested in the production of the cards are invited to subscribe a minimum of £6 which will entitle them to receive 2 packs as soon as the work is completed.
