

control of body and mind, and of those secret faculties which are still unknown to any but Initiates:

to enjoy the fullness of experience, the increasing ripeness of Age, with the perpetual energy of Youth:

to join the selfless Brotherhood of purified and chosen souls:

to partake of every Secret, every Sacrament of Nature :

to learn how to prepare, and to employ to the fullest advantage, the Elixir of Life: (*"Magick" Cap. XX*)

to aid the Master Therion in His Great Work, the establishment of the Law of Thelema.

our first step will be to write to:

ALEISTER CROWLEY,

9, Carlos Place,

LONDON, W. I,

stating your particular needs, and the nature of your aspiration.
