

THE BOOK OF REVELATIONS OF JIM CROW. J. & J. BENNETT.
1s.

THE best of this book is that it reads well. I thought a priori (*a*) it read very well weekly; in a lump it will bore; (*b*) it only read well weekly because of its pornographic or Prudential surroundings. But, lo! it is most excellent. St. James the Divine has indeed found a way to tell the truth (about most things) without frightening Respectability too much, though I think he might have spared us a thunderbolt against that feeble writer, Herbert Vivian.

Sanctus Jacobus Corvus once observed in his treatise on *Mysticism* (blue-pencilled by the common sub-editor), "Crow and Crowley—what a combination!" Not a bad one, either. If only he had stolen the holy water (as I begged him to do) and baptized our mandrakes properly—Never mind! I advise all our readers to read his book; and if he does not advise all the readers of "John Bull" to read mine, I shall despair of human nature.
