INVESTING FOR PROFIT FREE FOR SIX MONTHS. It is worth \$10 a copy to any man intending to invest any money, however small, who has invested money unprofitably, or who can save \$5 or more per month, but who hasn't learned the art of investing for profit. It demonstrates the real earning power of money, the knowledge financiers and bankers hide from the masses. It reveals the enormous profits bankers make and shows how to make the same profits. It explains how stupendous fortunes are made and why made; how \$1,000 grows to \$21,000. To introduce my magazine write me now. I'll send it six months, absolutely FREE. H. L. STAND UP AND MEET THE WAR

With acknowledgments to Rudyard Kipling

By **Wolcott Frederic**

I.

STAND up and meet the war!
 The war by others bred.
 Stand up and quote the Law!
 Stand up and count the dead!
 The needless sacrifice,
 The foolishness and whim.
 In prayer lift up your voice,
 To men, but not to Him.
 Though all the years depart,
 Your brazen pretense stand:
 "In hardness keep your heart!
 In vengeance lift your hand!"

II.

"No law except the sword,"
 That sickening lie of old,
 Comes now to judge your word,
 Comes now to mock your gold.
 Once more it calls mankind,
 Driven, oppressed, and slow
 To rise, and break, and bind
 The nations' inmost foe.

III.

Bombast, pretense, deceit—
 The nations' seeming aim—
 Are vanished in a night.
 Only the Truth remains
 To meet the sorrowing days.
 All that we have and are,
 Have fed the flame of war.
 Though all the years depart,
 Your brazen pretense stand:
 "Let kindness melt your heart!
 Let meekness stay your hand!"

IV.

The easy hopes and lies
 By which you sought the goal
 Call now for sacrifice.
 To-day you pay the toll.
 Stand up and meet the war!
 The strife by others bred.
 Stand up and quote the Law!
 Stand up and count the dead!
